RECIPE

of the month

Mediterranean Chicken

Ingredients:

- 6 boneless, skinless, chicken breast halves
- 1/4 cup ranch dressing
- 3 ounces sun-dried tomatoes
- 8 ounces cream cheese, softened
- 1/3 cup grated fresh Parmesan cheese
- 1/4 cup pitted, sliced ripe olives
- 1 clove garlic, minced
- 6 fresh basil leaves
- 1 cup ground pistachio nuts
- 1/2 cup Italian-style bread crumbs
- lemon slices and additional fresh basil leaves, for garnish

Directions:

Rinse the chicken and pat it dry. Arrange the chicken between two sheets of waxed paper and flatten to a 1/4 inch thickness with a meat mallet. Place the chicken in a shallow dish and pour ranch dressing over the pieces, turning to coat. Marinate for 1 hour in the refrigerator. In a small bowl, rehydrate the dried tomatoes by pouring enough boiling water to cover. Let stand for 15 minutes until tomatoes are softened. Drain and squeeze out the excess water from the tomatoes, then coarsely chop. Place the cream cheese, tomatoes, Parmesan cheese, olives, garlic, and basil into a food processor and process until smooth. Chill the filling for 30 minutes. Pre-heat oven to 375 degrees. Remove chicken from the marinade. Put 1 1/2 tablespoons of cream cheese filling in the center of each breast. Roll up and secure with toothpicks or bind with cooking twine. In a shallow bowl, mix the pistachio nuts and breadcrumbs. Dredge each stuffed breast in the nut mixture. Place chicken, seam side down in an ungreased 9x13 inch baking dish. Bake for 45 Minutes-makes 6 servings
